

### **Christian Aid**

Today starts the beginning of Christian Aid week 14th to 20th May.  
20,000 churches and 300,000 volunteers were involved  
last year and raised £14.8 million

The theme this year is, "You add, we multiply."

By giving enough to buy a pair of chickens for a village you can help  
turn these chickens into eggs and more chickens! Any contributions  
received will be greatly appreciated. Envelopes can be put in the  
collection baskets this week or next Sunday.

### **Church Brochures**

There are still some full-colour Church brochures available. These are  
professionally produced and very presentable. If you can use them,  
please speak to Harry or Paul. Next time someone moves into your  
street, take them round a nice cake and a Church brochure, and give  
them a warm welcome to Perth.

### **Depression, Joy and the Danger of Happiness**

There has been an overwhelmingly positive response to the visit of Dr  
Angus Bell on 25 March. To date, 50 sets of tapes have been  
produced (thank you, Lins) and most have already been distributed.  
Please speak to Harry if you would like a set or more, either for  
yourself or to give away.
