Opportunity for service

After the summer holidays there is an opportunity to bless the Under 5s group by cleaning the areas of the church used by the group. This needs to be done on a Sunday afternoon and there is a nominal payment. If you are interested please speak to Gavin Matthews. We are immensely thankful to Iain and Jane Shaw who have been doing this so faithfully and efficiently for the past five years.

Screening For Volunteers

We are planning to trial "EasyWorship" presentational software in Sunday Services in the near future. To enable us to evaluate the software properly, we need to give it a thorough "test" in real services. Please let Paul Hardingham know if you have an interest in visual presentation in our Church. The more people we can train to use this very easy software, the better for all of us.
