

LOOK WHAT GOD HAS DONE

Look what God has done for us
Over the years we've shared;
Ever since the day He joined our
flickering lights into one flame.
Look at all the lives He's changed;
By His grace we're not the same;
All the fruit that's grown;
All that's yet to come;
Look what God has done.

And His love goes on and on forever.

Look at all we've shared in Him;
Joy and laughter, tears and pain;
Grace to carry on when days were
dark and all our strength was gone.
Look at all the prayers He's heard;
All the times He's proved His Word;
Blessing on our homes;
Children that have grown;
Look what God has done.

And His love goes on and on forever.

Freely we have all received;
Freely we must also give;
Thinking of the price he paid that we
might be His very own.
Born for such a time as this;
Chosen for the harvest years;
we have just begun;
The best is yet to come;
Look what God has done.

And His love goes on and on forever.
And His love goes on and on forever.
And His love goes on and on forever.

Journey Blessing

May our journey ahead
Be blessed
With God's
Laughter,
Silences,
Risks,
Challenges,
Healings,
Questions,
Promises,
Protests,
Answers,
Tears,
Solidarity,
Often uncomfortable peace,
And
Compassion-filled surprises,
Perhaps
All
In
One
Day

Help a kid get to camp....

Please consider supporting Scripture Union's annual Holiday Sponsorship Appeal which has just been launched (Leaflets on the Information Desk).

This annual appeal allows many children and some leaders, who could not otherwise afford it, to attend an SU camp over the summer. Donations (cheques made payable to SU Scotland) can be sent to SU Holidays Sponsorship, SU Scotland, 70 Milton Street, Glasgow G40HR.

Scottish Bible Society

The SBS would be delighted to receive your "leftover" foreign holiday money, banknotes or old silver coins. There is a collecting can on the Information Desk to fill up and I have plenty more cans to replace it! This collecting scheme goes towards Bibles for Operation Family.

Keys to the church, not the kingdom!

If you have a set (or sets!) of church keys, but no longer require them or do not need regular access to the building, please could you return them a.s.a.p. to the church office/contact Joanna

Christmas Trees

Jacqui needs artificial Christmas trees (with cones if possible) for the Holiday Bible Club. (Yes, for the one in July/August!)

Want to know more?

The Christian Worker Certificate is a 2 year structured programme run by the Baptist Union. You can register now for a new course beginning in the autumn. More information on the Notice Board. John and Mary Kenney have both completed this course and would be able to give you details.

Asking for help

Pitlochry Baptist is having their 125th anniversary on the weekend of 16/17th September. They are asking if two people could work with the children on the Saturday. There would be about 12 children (primary and 1st/2nd year secondary). If you can help please let Edith know within the next fortnight.

TWAM

Tools with a Mission are one of the biggest exporters of refurbished tools and last year sent out nearly 114 tonnes of tools and other equipment to various projects in Africa and other countries where the tools were used to give people employment and help them support their families. TWAM Scotland would like to invite people who are interested in helping or want to know more to a meeting in the Viewfield Centre, in Dunfermline on Saturday 1st July at 2pm.

Yvonne Harris

The funeral service for Yvonne will take place on Wednesday 28th June at 12.30pm at Perth Baptist Church and thereafter to Blairgowrie cemetery for 2pm.

Our thoughts and prayers are with her husband Graham and the McIntyre family. We give thanks to God for every remembrance of Yvonne and for her strong faith in her Lord and Saviour Jesus.
